

Important Information about how we are currently working in response to Covid-19

Due to the Covid-19 virus, B-inspired as a charity is now NOT open to the public to ensure the health and safety of staff, volunteers and customers.

But we will still be running some essential services with limited capacity at this time.

For the time being, we ask members of the community not to come to the following buildings:

The Neighbourhood Support Base on Gallards Hill
The Grove on Cort Crescent
The Garage Sale on Wellinger Way
The Business Box on Oswin Road

Instead email us on: info@b-inspired.org.uk if you require support. Although we are still contactable via this route, please bare in mind that we are working with a skeleton staff at this moment and so we will get back to you as soon as possible.

Here is how our services will be operating, until further notice:

Braunstone Foodshare Scheme

We have a limited amount of supplies and are only able to provide food to existing Foodshare members at the moment. We are currently running a home delivery service every two weeks until we are no longer

available to do so. We have provided letters to existing members with our intentions and we will communicate with members as and when we know more about the situation. We are working with other organisations in the community and volunteers to support the most vulnerable in the Braunstone community.

Be-friending and TalkTime

All home be-friending visits have temporarily been stopped to protect older residents from the virus. TalkTime groups at Sandyhurst and St Peters' Church have also been stopped until further notice. We have provided members of the scheme 'Activity packs' to keep older residents occupied as they are confined to their homes. Our staff team will also be providing regular telephone calls where possible, to ensure we are maintaining the welfare of our members.

The Garage Sale

The Garage Sale on Wellinger way is closed until further notice. Volunteers will NOT be doing the weekly Wednesday Garage Sale to protect themselves and members of the community. Unfortunately, we are not able to accept donations at this time, so please do not leave them outside the building as no one is available to bring them in.

The Grove

The building is now closed to group sessions and activities are cancelled until further notice. Staff are still available via Facebook Messenger (@thegrovehub) or email info@braunstonegrove.co.uk for any enquiries.

We are sorry for any inconveniences caused by this urgent and necessary action to protect you and your loved ones at this time. Please rest assured that whilst our staff are able to, they will be doing all they can to help the most vulnerable members of our Braunstone community.

Keep yourself safe and well.

All best wishes the team at B-inspired
